

# PITA CORNER

CANET-EN-ROUSSILLON

La vraie Pita Grecque!

## *Greek Tapas Bar*

# *Authentic Greek Cuisine*

**IMPORTANT**

 A Few Things to Clarify !

Any association of our Greek pita with a kebab, taco, or wrap is purely your imagination...

In Greece, we don't break plates or dance the syrtaki...

In both France and Greece - Broken plate = Plate on the bill !

Plate breaking and syrtaki dancing are purely cinematic traditions, straight out  
of *Zorba the Greek*!
