

The Greek Tavern!

IMPORTANT

You have entered into Greek 🤪 colonization A few points need to be clarified!!
 Any combination of our Greek pita with a kebab, tacos or wrap is simply a figment of your imagination...
 In Greece, you don't break plates and you don't dance the Syrtaki...
 In France as in Greece Broken plate = Plate on the bill! Breaking plates as well as dancing Syrtaki are cinematographic traditions straight out of the imagination of Zorba the Greek...! For more information...
 Georges is here!! Thank you for not annoying him!!
